# The story of the Sternen Muri

The Sternen Muri \*\*\*\* at the Thunstrasse 80 in Muri bei Bern has a long tradition. The opening took place in 1834. The building complex was extensively renovated in 1978, leaving most of the building envelope intact. In 1980 the house was reopened as a country inn and seminar hotel.

Located directly on the city limits and not far from the idyllic **"Aare"**, in the middle of the popular suburb of Muri, the hotel impresses with its ambience. The **"Aare"** can be reached on foot in twenty minutes.

With the former **"Blaues Bähnli"** you can reach the Sternen Muri from Bern main station (tram no. 6 direction Worb, stop "Muri"). Travel time approx thirteen minutes

You may already know it from the sketch **"Dr schnällscht Wäg nach Worb"** by Ernst Mischler. You are also welcome to arrive **by car**, our underground car park offers sufficient parking space.

Our rooms are comfortably furnished, modern and yet cosy. Our motto is: **"Feel at home with us, forget about the hours of everyday life and let our friendly team spoil you!"**

The Sternen Muri has **44 spacious hotel rooms**. The 17 Roof Rooms in the main house were completely renovated in autumn 2003. The 27 premium rooms with balcony are all very quiet. In summer 2016 the seven rooms on the 3rd floor were equipped with air conditioning. In summer 2019 the remaining twenty rooms on the 1st and 2nd floors were also equipped with air conditioning systems. Our rooms can be used as **single or double rooms**

As our guest you may expect a little bit more than just a clean room. In the Sternen Muri you will find **comfort, rest and relaxation** after a strenuous work or seminar day.
